

**D&W PARTNER ADDRESSES
ARBITRATION CONFERENCE**

March 2008

Hamish Lal, a London-based construction partner with UK law firm Dundas & Wilson, will address a national conference on arbitration and dispute resolution this weekend.

Hamish, a former barrister with significant experience in arbitration and dispute resolution, will speak at the spring construction meeting of Arbrix, the arbitration and dispute association.

On Saturday, March 8, Hamish will deliver the closing presentation of the weekend event, on the subject of 'time-bar' clauses in construction and commercial agreements.

Hamish said: "Time-bar clauses are an ever-more significant feature of construction contracts so I'm very pleased to have been asked to speak to Arbrix members about this subject at their spring meeting.

"D&W has fantastic expertise and experience in dispute resolution and arbitration and the practice continues to go from strength-to-strength."
